Dear Mr Gallop

I write in relation to Campbelltown City Council's 'United for Macarthur' bid for a new A-League team in the region.

A professional football team would be a major drawcard for the Macarthur area and further reinforce our area's proud sporting tradition.

The area has a suitable venue for games in Campbelltown Sports Stadium as well as a strong supporter base. In my electorate of Macquarie Fields alone, there are five active football clubs with hundreds of players taking to the field each weekend across all age groups.

I am pleased to support the 'United for Macarthur' bid and the establishment of a professional football team in the region.

Please contact my office on 9618 2077 or [macquariefields@parliament.nsw.gov.au](mailto:macquariefields@parliament.nsw.gov.au) if you require any further information.

Yours sincerely
